PROMOTIONS

Congratulations, you will be promoting! Just a 3-minute walk from Utrecht University, we are the perfect host to organize your promotional party.

Is your group too large to all be present at the academy building? We will then provide a live stream so that your guests don't miss anything.

We also guarantee a successful celebration for a small-scale promotional lunch, drinks or dinner!

CELEBRATION

Our Vrouwe Justitia venue is a beautiful, atmospheric space located in our basement.

This room can accommodate up to 200 guests. Thanks to the space in the room and movable furniture, we can prepare the desired setup for any type of event.

For example, it is possible to go directly from a walking dinner to a fantastic party without having to make any conversions in between.

You can party until 1:00 am. The room rental is calculated per day, if availability permits;

Venue rental on request.

COMPANY OUTING

It's time to celebrate success! Just before the holidays, to thank employees for their efforts or as a kick-off for the coming period.

Drinks, dinners, pub quizzes, parties with a DJ; We ensure that it will be an unforgettable evening for your company.

Tip; hire a photo booth so your memories last!
