PROMOTIONS

Congratulations, you will be promoting! Just a 3-minute walk from Utrecht University, we are the perfect host to organize your promotional party.

Is your group too large to all be present at the academy building? We will then provide a live stream so that your guests don't miss anything.

We also guarantee a successful celebration for a small-scale promotional lunch, drinks or dinner!

COMPANY OUTING

It's time to celebrate success! Just before the holidays, to thank employees for their efforts or as a kick-off for the coming period.
