De Rechtbank: located in the heart of Utrecht, historic and authentic. There are numerous possibilities to make your reception, dinner and party an incredible success.

Our beautiful and large Vrouwe Justitia venue can be transformed into any theme imaginable. We have a restaurant, event venue and hotel all in one building. This means that there's no need to travel in between locations and you have more time left for fun things and a moment of peace.

# LOCATION

De Rechtbank is located in the center of Utrecht near the Dom Cathedral and is therefore a very suitable location for a real city wedding.

We are also very easy to reach by public transport. It is only a 15-minute walk from Utrecht Central Station.

# HISTORY

Building with a history.

Maybe you already knew us, because you once made a mistake and had to explain it to the judge, or because you felt like sitting on the nicest terrace in Utrecht on a Sunday. What is certain is that our building has been a household name in Utrecht for centuries.

From a Benedictine monastery in 1054 to a courthouse after the reformation, the current Courthouse breathes Utrecht history. We have carefully renovated the building to allow all our guests to enjoy wonderful moments in a unique place.

We work with a large team and strive for a perfect experience for all our guests every day!

# LIGHTNING AND DECORATION

---

The Vrouwe Justitia venue is equipped with atmospheric lighting and LED lamps above and in the bar. These can be matched to color as desired. On the other hand, it is often desirable to decorate the venue a little more. Think of flowers, garlands and balloons. This is not available on location as but can of course be rented.

Making memories? Hire a photographer or arrange a photo booth to provide your guests with festive snapshots!

## MUSIC

---

De Rechtbank has a sound system that can be used. However, this installation is only suitable for background music. This gives you the opportunity to play your own Spotify playlist. Do you really want an unforgettable party? Then you obviously book a DJ! Need suggestions? We have been working with an entertainment agency for a long time, with which you can coordinate the genre and the desired songs. You can also combine a DJ with a saxophonist for just a little extra flair.

In consultation, it is also possible to book a live band.

## CEREMONY

---

The building next to us has a beautiful venue where wedding ceremonies can take place. You can apply for an official permit from the Municipality of Utrecht so that you can say Yes here. There is room for a maximum of 35 guests. Tip: a family member or friend without stage fright? Ask them to become extraordinary registrar!
